Explanations:

Price list Classic Brokerage - Trade execution without using trading platform.

¹ Foreign tax (Stamp Duty, PTM Levy etc.) are charged separately

² Price list do not include exchange and ECN fees

³DVP - Deliver versus Payment

RVP - Receive versus Payment

⁴ Unexpected and additional costs that may arise to the Bank fulfilling the Contract conditions, are covered according to the actual expenses.

⁵ Price list is calculated from the nominal value

⁶ Portfolio value is determined on the last working day of the month (shares by the market value, bonds by nominal value).
In some cases, fee is calculated per day.

These rates and Terms affecting, or relating to investment services and ancillary (non-core) investment services are an integral part of contract concluded between the Bank and the Customer, of which customer agrees confirming it by its signature.
